Practice Manager

Gretchen Hofmann

June 20, 2014

### TO WHOM IT MAY CONCERN:

Please find the surgical quote for Denis Chubanyuk. This quote is based on the following diagnoses and procedure codes:

### ICD-9:

Apert's syndrome: 755.55

Maxillary hypoplasia: 524.03

Complex syndactyly with fusion of fingers: 755.12

### CPT codes:

#### Craniofacial

Major cranioplasty with bone graft, rib cartilage graft to the nose, calvarial reconstruction, and scalp tissue rearrangement - 21230, 62147, 61559, 14301 and 14302

#### Reconstruction of Apert's hand:

Multiple complex syndactyly reconstructions of each web space (26562); arthrodesis, metacarpophalangeal joint, with or without internal fixation (26850)

### FEES

Facility fee: \$60,000 USD

Craniofacial surgeon (Chaiyasate) fee: \$14,000 USD

Hand surgeon (Fishman) fee: \$7,000 USD

Anesthesia fee: \$4,000 USD

**TOTAL: \$ 85,000 USD**

**Denis will also require a 3D CT scan, consultation with pediatrician, and other various tests and consults prior to any surgical intervention. These prices ARE NOT reflected in the quote above and additional monies should be available to pay for these at the time of service.**

Please remember this is only a quote. The actual charges may be more or less, depending on the findings when Denis is examined and operated upon.

Please contact me if you have any questions.

Best wishes,

Gretchen Hofmann  
Practice Manager
